January 12, 2016

Dear NGC Season Pass Holder:

It is always an exciting time of the year when I draft this letter and kick off the next golf season. It was a record breaking December and the winter has definitely been shortened. The greens and tees shut down on January 4th and the temporaries are in place. As far as anyone can remember, that is the all-time record. Six more weeks and the warmer March weather will be upon us.

The best news of all is that all rates for 2016 will remain unchanged. Your member's association has been hard at work planning your events for the 2016 season. Please mark the following three dates on your calendar; April 17th (Opening Day ABCD), June 26th (Member/Guest), and November 6th (Revenge ABCD). Support your association and make these three days special events that include both golf and social aspects that have a throwback feel to them.

Please find enclosed the season pass holder rates and application for the 2016 season. The Pro Shop is currently open on weekdays and we are available if you have any questions for us concerning the upcoming year. Enjoy the rest of your winter.

Sincerely,

A handwritten signature in cursive script that reads "Michael S. Svab".
