This year, we are using online registration and payment. Follow these steps to sign up:
Go to <https://www.golfgenius.com/ggid/fxchtr/register>

Each player is required to sign up individually and select their tee time. If you have a CSGA player profile, sign in. Otherwise, click "Here to Register" to set up a player profile for registration. Groups who traditionally play together should coordinate signing up to select the same tee time.

As in prior years, the committee can move players around after signing up to resolve any issues during the registration process.

Registration will open on July 7, 2022 at 6:00AM.

Notice to Norwich Golf Club Members: This event will not be found on the club's golf hub. The Men's Senior Invitational is a regional event run on a different golf genius account.
